

NORAC Pharma presents

BONDS... CHEMICAL BONDS.

OK, so we may not help you solve international mysteries. Our ability to pair chemical expertise with stunning creativity, however, may be just the thing for your next job.

Our dedicated staff's ability to meet your changing needs stems from our respect for the creative process and our readiness to incorporate the latest advances in technology. So, the next time you need a specialist, take a deeper look at how NORAC Pharma is right for your needs.

*API Manufacturer • Analytical Development
Potent Compounds • Controlled Substances • Large-scale Chromatography*

**Exceptional Chemistry.
Creative Solutions.**
